## ORDER EARLY FOR BEST SELECTION

SALE PRICES END JUNE 12TH

We have gorgeous new colors in both our Sylvan Spirit and Cotton Comfort that we hope that you've had a chance to see on our website. There are more new colors in the works that we will be able to share with you on our Facebook page and blog as they become ready to knit with. Our designers have also been hard at work creating a handful of new patterns that are certain to become fast favorites.

We are going to be able to offer special savings on a large selection of orphan skeins. We are cleaning house and hoping to find new homes for small quantities of older dye lots of virtually all of our yarns! Because these quantities are limited, they are only going to be available to our tent sale customers who visit the shop in person. We hope that this may inspire you to make a day of it and visit the Spinnery over the holiday weekend.

Note: Our odd weight skeins are first quality, but the yarn is, overall, a bit lighter or heavier than in a regular weight skein. When we fill orders for any particular color, all the skeins will be either all heavies or all lights. Check your gauge carefully before starting your project.

For additional pattern suggestions and yarn quantities please refer to [ravelry.com](http://ravelry.com), *99 Yarns and Counting* or *The Green Mountain Spinnery Knitting Book*.

## LIMITED EDITION YARNS

### YARN OVER YEAR OF THE SHEEP

Wool with TENCEL and some mohair spun at a 2-ply heavy worsted weight. Carded wool and other fibers left from a range of Spinnery dye lots are blended to create a unique tweedy color. This batch includes TENCEL® Lyocell along with a bit of mohair and this addition will add great drape and stitch definition to your finished knitwear. This densely warm yarn will be perfectly suited for sweaters and outerwear projects that will keep you warm and snug no matter what the weather throws at you.

These undyed skeins are going to be perfect for drapey shawls and scarves with crisp texturing, lightweight cardigans and of course, socks.
