NEWS FROM THE SPINNERY

INTRODUCING AN EXCLUSIVE CLUB!

We are launching something brand new this month that we're delighted to share with you. We'd like to introduce our first Spinnery project club: The Quartet Hat Club.

Membership in the Spinnery's exclusive Quartet Hat Club will ensure delivery of four beautiful seasonal hat projects to your doorstep over the next calendar year. You'll receive a quarterly preview email with information about the next pattern delivery and a choice of two colorways. When you've let us know which version of the kit you'd prefer, you'll receive a special package of a new pattern, all the yarn needed to complete the project, and a special treat. Your first delivery will also include a small Spinnery project bag to keep your project materials organized and easy to find.

Melissa Johnson has designed four beautiful hat patterns that we have kitted up for our members. As a Quartet Hat Club member, you'll have exclusive access to these patterns until they are made available to the public in 2017.

Each of the projects feature a different Spinnery yarn. You'll love how her designs feature season specific details that makes each one unique.

Club Membership - \$150
Membership is open for a limited time until Friday January 15th, 2016.
