

Corrections and Clarifications for **(Basic) Mittens Pattern** (GMS pattern # 27, p 83 of *The Green Mountain Spinnery Knitting Book*)

We have become aware that some copies of the book have incorrect stitch counts. Here are the correct numbers:

After increasing for the thumb gusset, place thumb sts on a holder: **10 (10, 12) sts for Child, 16 (20, 22) sts for Adult. *Note: this number excludes the original 2 sts in which you increased.***

After you increase 3 (4, 5) sts for Child, 4 (5, 6) sts for Adult, you have a total of **36 (40, 44) sts for Child, 49 (56, 63) sts for Adult.**
